CTG does not request authority to provide intraLATA or operator-assisted services.

On November 15, 1991, the Commission ordered CTG to file additional information. CTG filed its response on December 16, 1991.

The Commission, having considered the application of CTG, its supporting exhibits, the information provided by CTG in response to the Commission's Order, and being otherwise sufficiently

advised, finds that CTG should be granted authority to provide intrastate interLATA long-distance telecommunications services as a reseller within the Commonwealth of Kentucky, and that the rates proposed by CTG should be approved as the fair, just, and reasonable rates to be charged by CTG.

IT IS THEREFORE ORDERED that:

2. This authority to provide service is strictly limited to those services described in this Order and CTG's application.

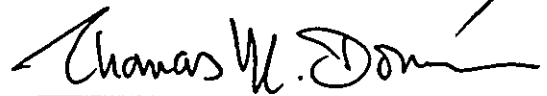

3. The rates proposed by CTG are hereby approved.
